LESBIAN FICTION

Our Lesbian Fiction Section is probably the largest selection of lesbian books in Australia, and new books are added every week. For this reason it is hard for us to maintain an up to date list.

We have several suggestions, especially if you are unable to come into the shop, or prefer to buy online...

That you subscribe to our free Lesbian Newsletter, which can be mailed or emailed to you approx every three months. It contains information on new releases. Contact us with your details to receive Newsletter. You can also access the newsletter on our webpage, on Booklist Page. Also see our list called Lesbian Bestsellers & Classics on webpage.

That you check out the following websites www.bellabooks.com and www.alysonbooks.com and www.boldstrokesbooks.com These three publishers are our main suppliers of lesbian fiction, and only supply books to bookshops.

Make a note of books that interest you and then **contact us with your order.** Our email address is above.

Most books on these websites will already be in our shop. If hot off the press they will be with us shortly.

Please remember that any prices listed on the websites will be in US dollars,

and books will be available from us at Australian converted prices.

Another great source of information on lesbian fiction is

www.BooksToWatchOutFor.com

This is a regular email newsletter, which reviews all the latest books. You can't purchase from them, but they may refer you to your nearest bookshop, which will most likely be us, as they are based in USA.

Carol Seajay, who runs this service is an old friend of The Feminist Bookshop, and used to produce Feminist Bookstore News, so there is no one around who knows more about lesbian books than she does. You will need to subscribe to Books To Watch Out For Newsletter, but the price is very reasonable, and you can arrange to have a free three- month trial subscription on www.BTWOFF.com/TRIAL

Favourite and best-selling lesbian authors are :

*Claire McNab
Katherine Forrest
Sarah Waters
Karin Kallmaker
Radclyffe
Peggy Herring
Jackie Calhoun
Lyn Denison
Jane Rule*

...and there are so many more!
