NARRATIVE THERAPY

Bedtime Stories For Tired Therapists

Leela Anderson \$33.00

A collection of inspiring and moving accounts of therapists' personal stories-why they work as counsellors, how they continue in such a demanding field and how their meetings with the people who consult them, contributes to, and changes their lives.

Power Of Metaphor

Michael Berman & David Brown \$57.95

Story telling and guided journeys for teachers, trainers, and therapists.

The Heart's Narrative

Johnella Bird \$79.95

Therapy with intelligence and compassion from well-respected NZ therapist. Excellent perspective on gender in therapy.

Talk That Sings

Johnella Bird \$79.95

Therapy in a new linguistic key. Informative text of rich scholarship and inspirational practice based on 25 years of work.

Introducing Narrative Psychoogy

Michael Crossley \$49.50

An introductory textbook looking at self, trauma, and the construction of meaning in context of narrative psychology. Case studies draw on physical illness and childhood sexual abuse.

Trauma

David Denborough ed \$41.95

Narrative responses to traumatic experience, wide ranging, thoughtful, and experience based.

Queer: Counselling & Narrative Practice

David Denborough ed \$47.30

Transformation and challenge to the helping professional, as queer families dissolve boundaries of nuclear family life.

Family Therapy

David Denborough ed \$42.95

Personal and thoughtful interviews from a wide collection of influential family therapists.

Working With The Stories Of Women's Lives

Dulwich Centre collection \$47.30

From a diversity of women, about their own lives & the women they work with.

Extending Narrative Therapy

Dulwich Centre \$38.50

A collection of practice-based papers for practitioners.

Responding To Violence

Dulwich Centre \$52.95

Collection of papers relating to child sexual abuse and violence in intimate relationships.

Catching Up With David Epston

Dulwich Centre \$38.50

A series of practice-based papers tracing the influences in David's recent work.

Narrative Therapy & Community Work

Dulwich Centre \$26.60

Collected papers from Narrative Therapy Conference in Adelaide Feb 99

Experience, Contradiction, Narrative, And Imagination

David Epston and Michael White \$39.85

A collection of papers published between 1989 and 1991 including such subjects as:

- personal reminiscences
- particular therapeutic practices
- practical approaches to problems
- training and supervision
- theoretical, political, philosophical issues

Narrative Solutions In Brief Therapy

Joseph Eron and Thomas Lund \$53.95

A hands-on guide explaining in detail how problems develop from the mishandling of ordinary events. The authors show how the therapist and client can map problem cycles, begin a process of change and be able to reframe problems into solutions. Included are moving case examples which demonstrate this approach.

Narrative Therapy

Jill Freedman and Gene Combs \$52.95 HC

Inspired by the work of Michael White and David Epston, this book begins with an overview of the historical, philosophical and ideological aspects of the narrative/social constructionist perspective. The heart of the book is devoted to specific clinical practices and illustrates these with examples:

- locating problems in their socio-cultural context
- space for alternative stories
- developing stories
- questioning
- reflecting

Narrative Therapy With Couples

Jill Freedman & Gene Combs \$47.30

Collection of papers, essays and exercises on the complexities and possibilities of narrative therapy with couples. Also with children.

Playful Approaches To Serious Problems

Jennifer Freeman/David Epston \$73.95

Narrative therapy with children and their families. Brings children's own creative solutions to centre stage.

Invitations To Responsibility

Alan Jenkins \$38.50

Guide to the therapeutic engagement of men who are violent and abusive.

Narrative Therapy In Practice

Gerald Monk, John Windale, Kathie Crocket, David Euston \$74.95 HC

Based on the idea that problems are manufactured in social, cultural and political contexts, clinicians work to help clients unearth competencies, talents and abilities to create a "re-description" of themselves. Practical examples show how narrative therapy can be applied to a variety of situations. Also included is information on:

- moving the client's focus away from self-attack
- deconstructing the problem
- looking at the full experience of the problem and its influence

What Is Narrative Therapy?

Alice Morgan \$27.50

An easy to read introduction from The Dulwich Centre.

Re-Authoring Lives \$38.50

A collection of interviews and essays dealing with the important questions of how people live their lives. This work addresses such issues as:

- working with people who are considered to have chronic problems or who have survived abuse
- looking at the issue of power
- working collaboratively
- developing new ideas
- examining recent developments in social theory and their implications for practice

Narrative Therapy

Martin Payne \$65.00

An introduction for counsellors seeking new ways of working with individuals and couples.

Narrative Therapy : Responding To Your Questions

Shona Russell & Maggie Carey \$53.95

Practical guide from the Dulwich Centre.

Narrative Therapies With Children & Adolescents

Craig Smith & David Nylund eds \$58.95

A collection of hopeful and exciting approaches to working with children. Suitable for playrooms, schools, offices, and clinics. An innovative approach to interviewing techniques. Hardcover at pbk price.

Just Therapy

Charles Waldegrave et al \$47.30

Collection of papers from the *Just Therapy* team in New Zealand. Looks at issues of gender, culture and socio-economic justice in a therapy setting. Published by Dulwich Centre.

Narrative Practice And Exotic Lives

Michael White \$52.95

Looking at history and culture while resurrecting diversity in everyday life.

The Personal Is The Professional

Cheryl White/Jane Hales \$41.50

Therapists from the Dulwich Centre reflect on their families, lives and work.

Introducing Narrative Therapy

Cheryl White & David Denborough \$38.50

A collection of practice-based writings from the Dulwich Centre for therapists, community workers or anyone working with narrative therapy .

Narrative Means/Therapeutic Ends

Michael White and David Epston \$49.95 HC

People experience problems when the stories of their lives do not represent their lived experience. Therapy then becomes the process of telling and retelling the lives and experiences of these people, the separating of the problem from the person. Ideas about therapy and case examples show the gaining of power/knowledge over problems

Reflections On Narrative Practice

Michael White \$38.50

A collection of interviews and essays on explorations of the narrative metaphor in therapy. Also explores ethics, spirituality, and the contributions of children

Narratives Of Therapists' Lives

Michael White \$47.30

Looks at how narrative practices can invigorate and renew the practitioners.

Narrative Therapy With Children And Their Families

Michael White & Alice Morgan \$31.95

Two popular authors in field of Narrative Therapy share stories of their work with children, looking at trauma recovery and child protection issues.

Maps Of Narrative Practice

Michael White \$44.95

The definitive guide to understanding and successfully implementing narrative therapy techniques.
